Danna, LLC

Bojangles' Famous Chicken 'n Biscuits
1524 S. Main Street
Darlington, SC

David and Cheryl Maisel (pictured above) recently decided to purchase the Darlington Bojangles' restaurant they had been leasing. Catawba Regional Development Corporation (CRDC) partnered with BB&T to finance the real estate purchase. CRDC and BB&T also partnered on the couple's previous Bojangles' Loris, SC project. David Maisel worked in Bojangles' Corporate for over 25 years before he began leasing and/or purchasing Bojangles' restaurants in SC (and one in NC). Funding was provided through the SBA 504 loan program, and twenty-five jobs will be retained as a result of this project.

527 Great Falls Highway
Chester, SC

Scott (pictured below) and Cindy Clyburn began Logo Works, Inc. in 1999 at their Cherry Road, Rock Hill, SC location. Logo Works specializes in screen printing and embroidery for small to corporate size businesses in an eight state region. Two years ago, the Clyburns developed a branded screen printing line called Heybo. Scott and Cindy have successfully marketed this slogan to southern retailers and added a number of unique trademarked design products. Growth of the Heybo line prompted the loan request for the project building. Catawba Regional Council of Governments (CRCOG) partnered with Provident Community Bank (now Park Sterling Bank) to assist in financing the purchase of a 21,000 square foot building in Chester, SC. Once upfitting of the building was complete, Heybo was moved to the building in Chester, and the Logo Works business remains in the original Rock Hill building. Funding was provided through CRCOG's Revolving Loan Fund) program, and the Clyburns expect to create five jobs within the next two years.

SBA 504 funds are available to small businesses throughout South Carolina. Revolving Loan Fund program funds are available in the following counties: Aiken, Allendale, Bamberg, Barnwell, Beaufort, Calhoun, Chester, Clarendon, Colleton, Hampton, Jasper, Kershaw, Lancaster, Lee, Orangeburg, Sumter, Union, and York.
