When Sidney (pictured above) and Jacquelyn Fulton decided to purchase additional Popeyes Restaurants, Catawba Regional and Carolina First Bank (an affiliate of T.D. Bank) assisted with the financing. The Fultons now own Popeyes in Orangeburg, West Columbia, and Lexington, SC. Popeyes offers New Orleans Cajun flavored chicken and seafood served in a variety of ways with signature sides such as Cajun rice, mashed potatoes, Cajun battered fries, and red beans and rice. Funding for the West Columbia and Lexington restaurants was provided through Catawba Regional and the SBA 504 loan program. A total of twenty five jobs were preserved as a result of these projects.
